

STORE ROOMS FOR RENT

Dear resident of San Ridge Village,

Do you require extra storage space, while maintaining the convenience of being able to easily access the items in storage?

San Ridge Village is making between 2 and 3 store rooms per block available for rental at R400 per month. These store rooms can be rented on a month-to-month basis or for longer periods if you wish.

Should you be interested in enquiring about the store rooms available in your block, about store rooms available in other blocks, or have any other questions and queries, please contact Conan Swanepoel, the estate manager, on 061 444 0800 or at conanswa@gmail.com

Kind Regards

San Ridge Village Body Corporate
